The Register of Marine Corps Reserve Officers contains combined precedence list for officers of the Fleet Marine Corps Reserve and Volunteer Marine Corps Reserve.

The following extracts from the act of February 28, 1925, concerning the rank and precedence of Marine Corps Reserve officers, are quoted herewith:

"SEC. 2. * * * There is hereby created and established, as a component part of the United States Marine Corps, a Marine Corps Reserve, under the same provisions in all respects (except as may be necessary to adapt the said provisions to the Marine Corps) as those contained in this act or which may hereafter be enacted providing for the Naval Reserve. * * *

"SEC. 15. That commissioned officers of the same rank and warrant officers in the Naval Reserve shall take precedence among themselves by date of commission or warrant. Officers of the same date of commission or warrant shall take precedence according to such regulations as the Secretary of the Navy may prescribe: *Provided*, That commissioned officers of the same rank and warrant officers in the Naval Reserve Force who are transferred to the Naval Reserve in accordance with the provisions of this act shall take precedence among themselves and with other officers of the Naval Reserve according to the dates of the commissions, warrants, or provisional assignments of rank or grade held by them at the time of transfer, except that such officers who were transferred to the Naval Reserve Force from the National Naval Volunteers, if they have not been separated from the Naval Reserve Force for more than four months since said transfer, shall take precedence among themselves and with other officers of the Naval Reserve according to the date of the commissions or warrants held by them on the active lists of the Naval Militia at the time of their enrollment in the National Naval Volunteers, or, if subsequently promoted in the National Naval Volunteers, according to the dates of said promotions: *Provided further*, That former officers of the Navy or Coast Guard, who, within four months of their separation therefrom, enrolled in the Naval Reserve Force in the same ranks or grades last held by them in the Navy or Coast Guard, and who are transferred to the Naval Reserve in the said ranks or grades pursuant to this act, and such former officers of the Navy or Coast Guard who may hereafter, within the same period, be appointed in the Naval Reserve in the same ranks or grades as last held by them in the Navy or Coast Guard, shall take precedence among themselves and with other officers of the Naval Reserve according to the dates of the commissions or warrants held by them in the Navy or Coast Guard when separated therefrom.

"SEC. 16. In time of peace officers of the Naval Reserve shall take precedence with but after officers of the same rank or grade in the regular Navy. When mobilized with the regular Navy for war or national emergency, officers of the Naval Reserve shall, for the duration of the war or national emergency, take precedence after the junior of their respective ranks or grades in the regular Navy on date of such mobilization: *Provided*, That officers of the Naval Reserve of and above the rank of lieutenant commander who are selected for advancement in accordance with the provisions of section 17 of this act shall, when so advanced, take precedence during the then existing war or national emergency with officers of the regular Navy of the same rank or grade in accordance with the dates stated in their commissions."

The Register of Marine Corps Reserve Officers contains combined precedence list for officers of the Fleet Marine Corps Reserve and Volunteer Marine Corps Reserve.

Legal: The following extracts from the act of February 28, 1925, concerning the rank and precedence of Marine Corps Reserve officers, are quoted herewith:

"SEC. 2. * * * There is hereby created and established, as a component part of the United States Marine Corps, a Marine Corps Reserve, under the same provisions in all respects (except as may be necessary to adapt the said provisions to the Marine Corps) as those contained in this act or which may hereafter be enacted providing for the Naval Reserve. * * *

"SEC. 15. That commissioned officers of the same rank and warrant officers in the Naval Reserve shall take precedence among themselves by date of commission or warrant. Officers of the same date of commission or warrant shall take precedence according to such regulations as the Secretary of the Navy may prescribe: *Provided*, That commissioned officers of the same rank and warrant officers in the Naval Reserve Force who are transferred to the Naval Reserve in accordance with the provisions of this act shall take precedence among themselves and with other officers of the Naval Reserve according to the dates of the commissions, warrants, or provisional assignments of rank or grade held by them at the time of transfer, except that such officers who were transferred to the Naval Reserve Force from the National Naval Volunteers, if they have not been separated from the Naval Reserve Force for more than four months since said transfer, shall take precedence among themselves and with other officers of the Naval Reserve according to the date of the commissions or warrants held by them on the active lists of the Naval Militia at the time of their enrollment in the National Naval Volunteers, or, if subsequently promoted in the National Naval Volunteers, according to the dates of said promotions: *Provided further*, That former officers of the Navy or Coast Guard, who, within four months of their separation therefrom, enrolled in the Naval Reserve Force in the same ranks or grades last held by them in the Navy or Coast Guard, and who are transferred to the Naval Reserve in the said ranks or grades pursuant to this act, and such former officers of the Navy or Coast Guard who may hereafter, within the same period, be appointed in the Naval Reserve in the same ranks or grades as last held by them in the Navy or Coast Guard, shall take precedence among themselves and with other officers of the Naval Reserve according to the dates of the commissions or warrants held by them in the Navy or Coast Guard when separated therefrom.

"SEC. 16. In time of peace officers of the Naval Reserve shall take precedence with but after officers of the same rank or grade in the regular Navy. When mobilized with the regular Navy for war or national emergency, officers of the Naval Reserve shall, for the duration of the war or national emergency, take precedence after the junior of their respective ranks or grades in the regular Navy on date of such mobilization: *Provided*, That officers of the Naval Reserve of and above the rank of lieutenant commander who are selected for advancement in accordance with the provisions of section 17 of this act shall, when so advanced, take precedence during the then existing war or national emergency with officers of the regular Navy of the same rank or grade in accordance with the dates stated in their commissions."
